Strongly worded email to all of club – meeting not quorate. Some say meeting not publicised enough, despite Peashooter and WhatsApp groups. Cow-mittee group to be updated and in charge of making sure teams get info.

Voting in new committee

No one has stepped up. Linner, Sooooooz and Vic in tears. Izzy has offered to be treasurer if no one else will.

Sally Fucking Wood also REALLY wants to give up Webgimp and Tammi has stepped up. Yaaaaaaaaaay!

Finance review

Bank balance is 9k.

Softball are getting a loan of £250 to get started.

Softball also want to become official Cowfolk – to be voted in at next meeting.

Antira 2024

We no longer need to vote on this as it's being held in Berlin so we are off the hook! Woohooooooo!

Fundraising for Palestine

Khali from Um Al Khair has asked for a card for the TV so kids can watch big matches \$300pa which is around £250.

As the request is over £250, we would normally need to vote but can't as NOT QUORATE. However, we decided to split it into two separate requests so that it's 2x £250 and doesn't need voting on. Ha.

Christmas party

Angelo has proposed 9th December. We say yes. Men's football to put it on unless they strongly disagree.

AOB

First Aid training rocked. Tammi's first job is put a write up on website. We need to book another session, perhaps on a weekend. Potential for a three hour heart start course (free) tbc. Bex was thinking of doing a 'road show' session at different training sessions to get people's confidence up.

Refugee team to be integrated into men's teams. £2,000 already raised. Vic can send links to anyone interested in joining WhatsApp group. 26th June 7pm at Coexist Kitchen (Mivart St) for first meeting for supper club to support and fundraise.

JoPey is doing a glean a week so give her a shout if you have any contacts with food groups who may want the veg. Link on WhatsApp group.

Olly is happy to help people go through coaching badges. Courses are expensive so can help managers etc to coach. Club can be approached for funding.

CACKK camp 7-8 July, same weekend as Priddy festival. Bring your families, it'll be fun!

Cricket team are doing well in league with new club members. Home games at Rose Green. Steve to send fixtures to Peashooter. Support welcomed!

Money shouldn't be in the bank. We only need minimum balance – we're good at fundraising if needed! Send folk on courses, fund overseas stuff etc.

Peace wants your money.

Baggator Supper Club. Info to follow in Peashooter.

Netters is 20 years old! Expect celebrations! (non biased bit of highlighting there)
