Hi Peashooter,

When we played Cutters Away a few weeks ago their players were picking fights with our smallest players with the ref doing nothing, punched our striker in the head twice!

We're hosting our esteemed guests at Packers December 11th at 2pm and we'd love a big loud party of Cowfolk to remind Cutters who they're messing with and keep the team's spirits up for the 90 minutes!

Would love a little call to action for supporters!

Men's Football BGM 6th December, Hawks Gym (Easton)

7pm

Being part of the baddest, bestest, most switched-on amateur football team in Bristol doesn't happen by chance. Loads of hours are put in by members of the club to ensure you get games and training, tours and tournaments, plus a social life and much more.

In return we ask that you attend a twice yearly meeting where we make decisions on the running of the men's football club, and organise all the excellent stuff that goes on around it. We operate collectively rather than the standard Sunday league model of a 100 year old chairman called Arthur who makes the same predictable decisions year in, year out, based on what people did in 1973.

The next meeting is at **7pm on Monday 6th December**, at the **Hawks Gym** meeting room on **Roman Road, Easton**. As well as general football business there will be a big conversation about our **30th anniversary tournament in July 2022**, and we will be looking for your ideas, energy and commitment. Recent attendance at meetings has been piss poor and we need to put that right.

Your mates will be there. Interesting stuff will get done. Afterwards we go to The Plough.

See you there.

What went down during the Zapatistas' visit to Bristol last month?

In the last few months, several dozens of groups of Zapatistas crossed the Atlantic to meet with grassroots struggles from all over Europe. The delegation met with members from half a dozen community groups including Easton Cowfolk and Kiptik on October 27th in The Plough.

You're invited to find out more at the Easton Community Centre on Monday November 29th, from 6:30PM to 8:30PM, and discuss what we can learn from this experience.

Soup will be provided by The Plough!

CHRISTMAS PRESENTS SORTED!!!

Yes, it's done - this is all you'll ever need to delight all your family and friends this Christmas! The brand new, limited edition 30th anniversary Cowfolk Calendar will be rolling off the printers in the next few days!

For only £10 per calendar you'll be able to make everyone happy. There's no bulk-buying discounts I'm afraid - we're raising funds for the tournament next summer so let's be generous!

They'll be for sale through the your committee and reps-type folk (although they don't know it yet), of course through The Plough and through me. It's a limited print run so if you want to get in there early please email me at rebecca.swist@gmail.com to pre-order. I can also post calendars, but will have to charge postage (and possibly taxes if you're not in the UK) - drop me an email and we'll figure it out.

Happy buying,
Becs xx
